

ESG Integration in Risk Management: A Practical Exploration

13 March 2024

15.00 - 17.00 (GMT+8)

FREE Limited Seat*

In this webinar, we delve into the practical aspects of incorporating Environmental, Social, and Governance (ESG) values into risk management strategies. With a focus on tangible insights and actionable steps, we will explore the intersection of ESG principles and effective risk mitigation. The discussion will centre on real-world applications, challenges, and pragmatic approaches, providing participants with a deeper understanding of how to integrate ESG considerations seamlessly into their risk management practices.
